

Original Medicare/Medicare Advantage and Medicaid Notification

At Pain Solutions we do not accept assignment from Medicare. If you have original Medicare, that means that you pay in full for your treatment here at time of service. We will submit your claim to Medicare and Medicare will reimburse you for a portion of the services.

➔ We charge the limiting amount for Medicare medical services. That amount is approximately 9.5 percent higher than the amount allowed if we accepted assignment as Medicare providers. You will pay that additional amount. In other words, you will pay approximately 30 percent of your medical services here instead of the 20 percent you would pay if you went to a provider that accepts assignment from Medicare.

If you have chosen to receive your Medicare benefits through a Medicare Advantage Plan, also known as a Medicare Part C plan, you receive your Medicare benefits through that insurance plan instead of through Original Medicare. In other words, all payments come from that insurance plan and you cannot get reimbursed for medical services from Original Medicare.

We are contracted with only one Medicare Advantage Plan, Presbyterian Senior Plan.

➔ We are **not contracted** with any other Medicare Advantage Plans, including but not limited to Aetna, Blue Cross/Blue Shield, Cigna, Humana, or United. While we are happy to submit a medical claim form to those plans, we do not accept assignment from them. Whether you will be reimbursed by these plans depends on what kind of plan you have. If you have an HMO plan or an EPO plan, we are **OUT-OF-NETWORK** so **YOU WILL NOT BE REIMBURSED**. In other words, you will be paying in full for all services here. ***Please call your insurance plan if you have questions about your benefits with that plan.***

We do not accept assignment from any Medigap Plans or Health Savings Accounts. You must submit to your claims to your medigap plan.

➔ We are NOT CONTRACTED with Medicaid in any form. If you have Medicaid, we cannot provide Medical Services to you.

By my signature below, I acknowledge my understanding that Pain Solutions does not accept assignment from Medicare and so I will pay a higher coinsurance at Pain Solutions.
